

Owner Operator Maintenance Seminar

Non-A&P pilots may perform a surprising number of maintenance tasks on their own aircraft. This seminar will address the legalities of preventative maintenance, proper record-keeping, and practical maintenance issues. To register, click on the link below TODAY!

Directions: The meeting will be held in the Conference Room of the General Aviation Terminal.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
